RNO ANNOUNCES NON-STOP SERVICE TO OAKLAND ON SOUTHWEST AIRLINES

RENO, NV. – Reno-Tahoe International Airport (RNO) proudly announces daily non-stop service to Oakland, CA on Southwest Airlines beginning June 5, 2016. Southwest will offer three flights per day between Reno-Tahoe and the Bay Area.

“Southwest is bringing back Oakland,” said Marily Mora, President/CEO of Reno-Tahoe International Airport. “The community asked for the return of the Oakland flight and we are happy to announce that the non-stop flight to the Bay is back, thanks to Southwest.”

Southwest flew the Oakland-Reno route until June of 2013. Getting the non-stop Oakland service back has been a top priority for the airport ever since. The business and the tourism community came together to make the flight possible.

“Non-stop Oakland service will give both business and leisure travelers another option for travel between Reno and the Bay Area,” said Mora. “But now it is truly a case of ‘use it or lose it’ and it is up to the community to fill the seats.”

Southwest Airlines will fly the route between Reno-Tahoe International and Oakland International Airport, with a 143-seat Boeing 737-700 aircraft. Flight times are as follows:

RNO Departure Time	OAK Arrival Time		OAK Departure Time	RNO Arrival Time
6:40 AM	7:45 AM		10:50 AM	11:40 AM
9:30 AM	10:35 AM		3:50 PM	4:40 PM
5:35 PM	6:40 PM		8:45 PM	9:35 PM

To inaugurate the new service, Southwest is offering introductory one-way fares as low as \$49 on flights between Oakland and Reno. For more details, visit www.southwest.com.
