Screening, Processing & Bag Claim

Ground Operations & Bag Dropoff

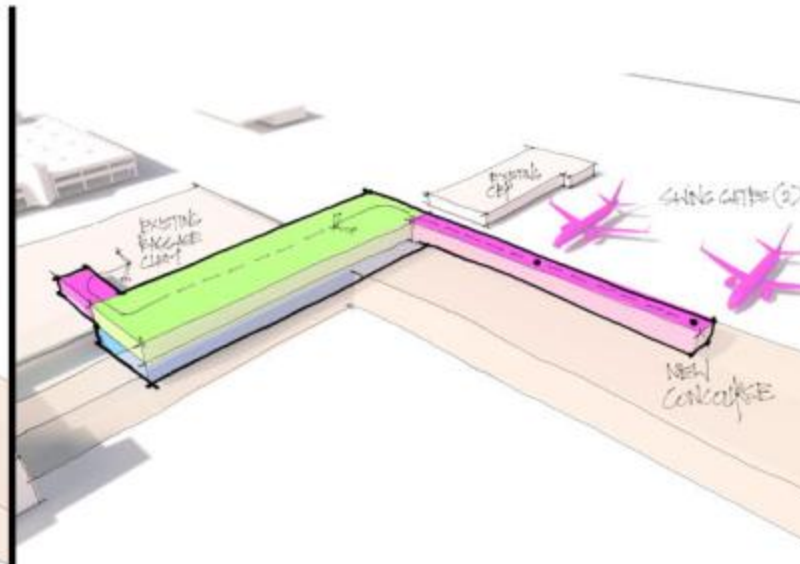

Sterile Corridor

## OPTION A

\$59M

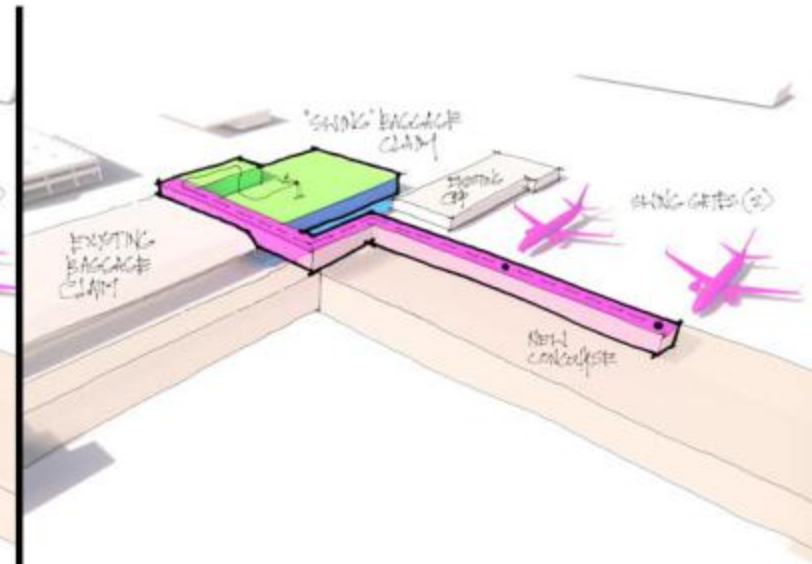

- Screening, processing & bag claim at **Level 3** above main concourse level
- Challenge of vertically conveying baggage up 2 levels from ground operations through leasable area

## OPTION B

\$56M

- Main screening & bag claim at **Level 2**
- Challenge of vertically conveying baggage up 1 level from ground operations - but not through leasable area, due to being separate footprint

## OPTION C

\$49M

- **Swing baggage claim** to serve both international & domestic flights
- Main screening & bag claim at **Level 1**
- Extension of current ground operations
- Optimal for phasing & future flexibility
