Reno-Tahoe Airport Authority

Disadvantaged Business Enterprise (DBE) Goals for Federal Fiscal Years 2026 – 2028

Stakeholder Meeting

The Reno-Tahoe Airport Authority (RTAA) is in the process of setting Disadvantaged Business Enterprise (DBE) goals for federally assisted capital improvement projects for federal fiscal years 2026, 2027, and 2028.

The RTAA is required to submit to the Federal Aviation Administration overall goals for participation by DBEs. RTAA DBE goals will be set for all federally-assisted capital improvement projects anticipated for the three-year period for Reno-Tahoe International Airport and Reno-Stead Airport.

Interested parties are invited to attend a virtual “zoom” stakeholder meeting to review the proposed goals and methodology and to provide any information that may assist in the development of the final DBE goals for the Reno-Tahoe International Airport and Reno-Stead Airport.

The stakeholder meeting will be conducted via a “Zoom” meeting. Individuals who wish to participate in the stakeholder meeting at 1:30p, Wednesday July 16, 2025, must submit their contact information including name, company name, phone number and email address to Lacy Glodowski, lglodowski@renoairport.com, by no later than 12:00, on Monday, July 14, 2025. Once the submitted contact information is received, the contact will receive an invite to the “Zoom” meeting.
